Who or What is Stillpoint?

Stillpoint is ... a gentle, renewing way of worship with an emphasis on slow and quiet moments to reflect, to pray and to centre oneself. It is open to those who want to exploring a fresh expression of church. It is based on a quiet, contemplative style, and offers a way of life that balances prayer and action.

The services include prayers, symbols, words, music, meditation and silence including a celebratory shared meal open to all.

Come and receive the gracious gift of time to restore the sacred rhythm of work, rest and prayer, a rhythm that has sustained those seeking to live out the Way of Jesus Christ for centuries, but which so easily gets lost in the pressure to do many things and to absorb much information.

Stillpoint is a mission centre of the Mission and Leadership Development ministry centre of the Uniting Church in South Australia.

House of Hospitality and Prayer,

to sit, chat, drink tea or have some breakfast,

... a regular venue for Quiet Days with meditation,
intercession and Bible reflection.
(The House is a ministry of Strathalbyn Anglicans)

Margaret Holt is a nurse and midwife,
a Franciscan Tertiary,
