

Lord, we stumble in the darkness,  
we cry for visions in these days.

Pour on us your living Spirit  
in all ways, always.

Show us your dreams and visions,  
warm our hearts  
with tongues of fire,  
tongues of fire.

During this Advent Retreat we will explore some of the dreams and visions featured in the Advent and Christmas stories, and reflect on how we relate to them through our own life experiences. We also will consider the dreams which emanate out of our deepest longings, seeking to discern God's voice and guidance in them.

This quiet day will be held at the Stillpoint Spirituality Centre. It is a self-led retreat day (or half day) that provides an opportunity to take time and explore the richness of the season of Advent. Materials for reflection are provided. A conversation with a retreat leader is also available and should be booked in advance.
