The Stillpoint Rule of Life

Recognising that our relationship with God is
foundational in our Christian journey and discipleship,
we seek ways to deepen my relationship with God by
centring my life on God.

Recognising that love for one another is our primary
witness to Jesus, and that in community we grow into
our true selves, we seek to develop healthy, caring and
peaceful relationships growing in community with
others.

Recognising that how we live in the world is a
response of faithfulness to God and a responsibility to
the earth and all its inhabitants, we seek to advance
the peace and justice of God's Kingdom through
compassionate action in the world.

(Matthew 28:19, Ephesians 3:19, 4:13,
2 Corinthians 3:18)
