

DEC 2ND 10 – 3 PM

ST JUDE'S, CHURCH, THE STRAND, PORT ELLIOT SA.

In this practical prayer workshop, we explore how people inspired by Jesus can make life affirming choices in a confusing world. Reflections, shared prayer and time alone in the St Jude's beautiful gardens and church are all features of the day.

We will explore Mary's response to the angel, 'Let it be' as a growing ability to choose active acceptance and compassionate awareness as a basis for life. Mary seen through a biblical lens of discipleship becomes a focus for unity not disunity.

All spiritual explorers are welcome to this day that will lead into the season of Advent when the Church focuses on hope.

The Rev. Nicholas Rundle works part time in public hospital chaplaincy. *Ministry of Silence* is all about deepening the art of listening through the practice of listening prayer.
