

DEC 9TH 10 – 3 PM

**WOODVILLE UNITING
CHURCH, 44 WOODVILLE
ROAD SA 5011**

In this workshop we will be exploring how people inspired by Jesus can deepen their ability to listen with discernment and grace. In a world bombarded by social media and the news cycle how can we become more wise and compassionate as we seek to live out our faith and encourage each other?

There will be times to reflect, pray, celebrate and discover. The day will conclude with Holy Communion.

Our facilitator the Rev. Nicholas Rundle is one of the chaplains at the Queen Elizabeth and is a spiritual director and teacher of non-religious meditation.
